OUR HERBIE

My sister and I have a little pet hamster. His name is Herbie. He is very little and brown. Herbie lives in a cage in our home. He has a wheel in his cage. He likes to run and play on his wheel. It is fun to watch Herbie play.

My sister and I feed Herbie his hamster food every day. We fill his water bottle when we clean his cage. We both take care of Herbie. Hamsters are fun pets.
